

## DURANGO CLOSES FLOW THROUGH FINANCING OF \$515K

Vancouver, BC / TheNewswire / May 26, 2022 – Durango Resources Inc. (TSX.V-DGO) (Frankfurt-86A1) (OTCQB-ATOXF), (the “Company” or “Durango”) announces that further to the news of May 20, 2022, the Company has closed a non-brokered flow-through private placement (the “Private Placement”) of 6,064,705 units (the “Units”) at a price of \$0.085 per Unit to raise gross proceeds of \$515,500.

Each Unit consists of one flow-through common share and one half of a share purchase warrant, with each whole warrant exercisable into one further common share at a price of \$0.10 for a term of two years expiring May 23, 2024. A total of 3,032,353 common share warrants were issued in connection with the Private Placement at an exercise price of \$0.10.

The offering was conducted under available exemptions from the prospectus requirements of applicable securities legislation and participation in the offering will be available to existing shareholder in qualifying jurisdictions in Canada in accordance with the provisions of British Columbia Instrument 45-354 and similar provisions in securities legislation of other jurisdiction, and will be available to persons in qualifying jurisdictions in Canada who have obtained advice as to the suitability of the investment from a person registered as an investment dealer in accordance with the provisions of B.C. Instrument 45-536 and similar provisions in securities legislation of other jurisdictions.

The proceeds from the sale of the flow-through offering will be used for exploration activity on the Company’s 100 per-cent owned Discovery Property located in the Abitibi greenstone belt near Chibougamau, Québec. The Discovery Property is located on strike to the southwest of the past-producing Troilus gold mine and neighbours Troilus Gold Corp. (TSX-TLG). The Discovery Property is over 6,500ha in size and covers an important geological northeast to southwest regional structure. The Discovery Property has great road access and is accessible year-round via the Route du Nord.

Finders’ fees of \$36,085 cash will be paid in connection with the offering in accordance with the policies of the TSX Venture Exchange. Brokers warrants totaling 424,529 were issued in connection with the offering and are exercisable at a price of \$0.10 expiring May 23, 2024 and are subject to the final approval of the TSX Venture Exchange.

All shares issued in connection with the offering will be subject to a statutory hold period of four months and one day after closing of the offering, being September 25, 2022. The Private Placement is subject to final approval from the TSX Venture Exchange.

## **Forward-Looking Statements**

This news release contains “forward-looking information or statements” within the meaning of applicable securities laws, which may include, without limitation, statements that address the upcoming work programs, and other statements relating to the business, financial and technical prospects of the Company. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements.

Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of minerals, the ability to achieve its goals, the COVID-19 pandemic, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company’s views with respect to future events and is subject to risks, uncertainties and assumptions, including those filed under the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com). Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
